Information about the procurement procedure

Title:
REQUEST FOR PROPOSALS FOR THE PROVISION OF ADVISORY EXPERT SERVICES FOR PREPARATION AND BUILDING OF GROWTHFUND'S INVESTMENT FUND

Short description:
According to the shareholder's guidelines, GROWTHFUND's objective is the long-term boosting of economic growth through openness, as well as the promotion of citizens' quality of life, with particular emphasis on environmental protection and social justice. Moreover, GROWTHFUND has presented its Strategic Plan for the 2022 – 2024 period, which depicts its intention to take up a more active investing role in the Greek economy. In this context, GROWTHFUND is looking to establish a new investment fund (the "Fund") that would actively invest in key sectors of the Greek economy with the objectives of fostering economic growth, mobilizing private investments towards Greece's ambitions, and providing medium to long-term benefit through its investments to Greece's citizens and environment. GROWTHFUND is interested in recruiting an advisor to support it in the "preparation" and "build" activities required to establish the core foundations for the successful set-up of the Fund ("Prepare Phase" and "Build Phase"). GROWTHFUND envisages working closely with the advisor towards this objective, leveraging the advisor's sector expertise, deep understanding of investments, proven experience in supporting the establishment of investment vehicles, execution ability, and relevant network to ensure successful establishment of the Fund. To that effect, and by virtue of the present RFP, GROWTHFUND is launching a call for tenders inviting interested parties to submit Proposals, for the conclusion of an Agreement for the provision of the requested services.
