PRESS RELEASE

HRADF: Launch of the tender for the development of the former construction site of the Rio - Antirrio connection project

HRADF, a member company of the GROWTHFUND – The National Fund of Greece, announces the launch of the international tender for the development of the property in the former construction site of the Rio-Antirrio connection project.

The property covers a total area of about 165 acres and is located in the former construction site of the Rio - Antirrio connection project, in the Municipal Unit of Antirrio of the Municipality of Nafpaktia in the Prefecture of Aitolokarnania, Region of Western Greece. It borders to the northeast with the settlement of Agios Panteleimonas and to the southwest with the settlement of Antirrio.

The property is suitable for the development of a supply chain/logistics park, combined with the utilization of the nearby sea front, the creation of a technology park or even the development of tourism infrastructure.

The international tender will take place in a single phase and the deadline for the submission of binding offers has been set for October 18, 2022. Attica Bank Properties Real Estate Management S. A. operates on behalf of HRADF as a Real Estate Advisor and Machas and Associates Law Firm as a Legal Advisor.

Additional technical and legal information about the property is available on HRADF's website.
