Notice Number in the Supplement to the Official Journal of the EU (OJ S): 2022/S 032-083247

Notice Number in Central Electronic Register for Public Procurement (KIMDIS):22PROCO10056349

Athens, 11.03.2022

To: Interested Parties of the International Open Tender for the Sub-concession of the Right to construct, operate, manage, maintain and exploit of the Corfu MegaYacht Marina

Clarification no 1: Establishment of a Joint Venture/Group of Persons

Please confirm that- as provided in paragraph 4.1.A– *“Interested Parties who participate in the Tender Process in the form of a consortium / joint venture or group of persons are not required to assume a specific legal form in order to submit an Expression of Interest”*.

Consequently, please amend the Template III of Annex B of the EOI for Joint Ventures/Group of Persons where in several points it is mentioned that the aforementioned Interested Parties have established a Joint Venture/Group of Persons.

Answer: It is confirmed that the Interested Parties participating in the Tender are not required to assume a specific legal form in order to submit an Expression of Interest (EOI).

The Template is indicative of the form under which the Interested Parties participate in the Tender and does not prevail over the main text of the EOI.

Clarification no 2: Technical Capacity

Please confirm that, in case of fulfilment of the Technical Capacity Criteria (as defined in paragraph 4.2.4) via a Third Party, reference to the abovementioned Third Party is not required in any point or supporting document during the present phase of the Tender, namely Phase A' - EOI.

Further, please confirm that the certificates proving the Technical Capacity Criteria of the Third Party which fulfills such technical capacity shall be submitted during Phase B' of the Tender where the Third Party shall be defined according to the Template 9 of Annex B.

Answer: The Third Party lending its capacity to the Interested Party must be declared in the present Phase A' and submit the supporting documents for the fulfilment of the Personal Status Criteria. Nevertheless, the documents proving the Technical Capacity of the Third Party and the evaluation thereof shall take place during Phase B' of the Tender.
